
HOW TO ONBOARD SLACK AFTER INVITATION EMAIL HAS BEEN SENT TO YOU

Welcome to **Perxels**

Perxels is a UIUX school with the mission of equipping designers with the core design skills and soft skills to become proficient in solving problems with design.

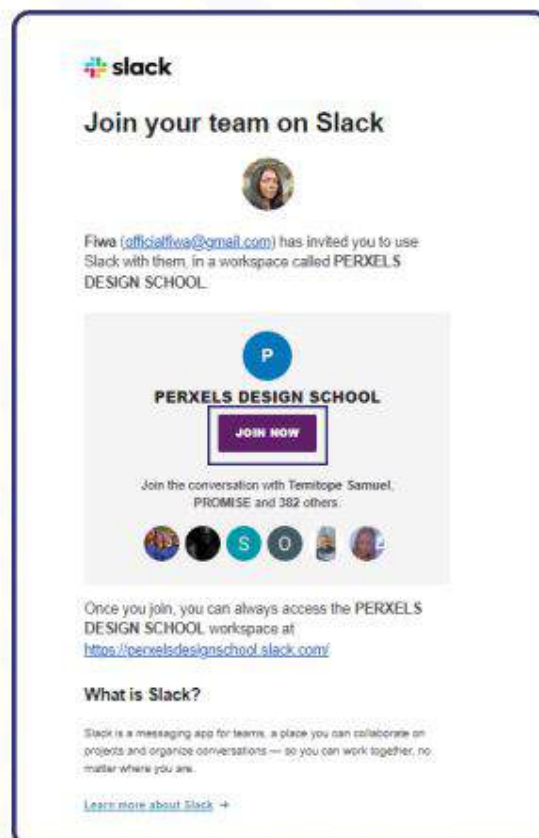

- ✓ **Training and Mentorship** - for beginners and those transitioning into UIUX design.
- ✓ **Internship Opportunity**- for beginners and those transitioning into UIUX design.

Step 1

Check your email and you would see a message with the subject **‘Fiwa has invited you to work with them in Slack’**

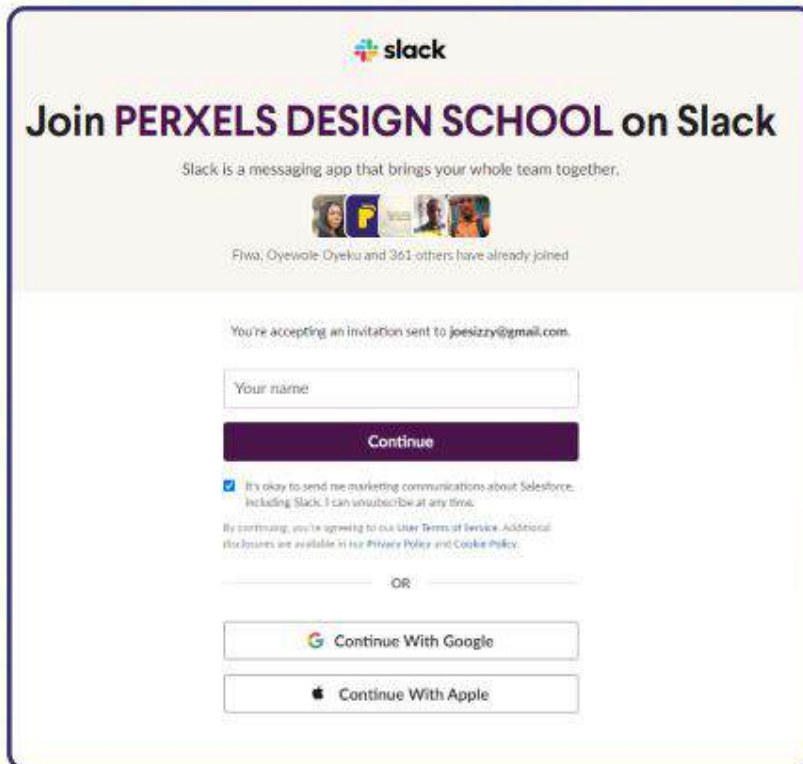

Step 2

Click on the invite email that was sent to you, the picture as seen below is what the message should look like, then click the **“Join Now”** Button

Step 3

After Clicking The **Join Here** button, it should bring you to this page as seen below.

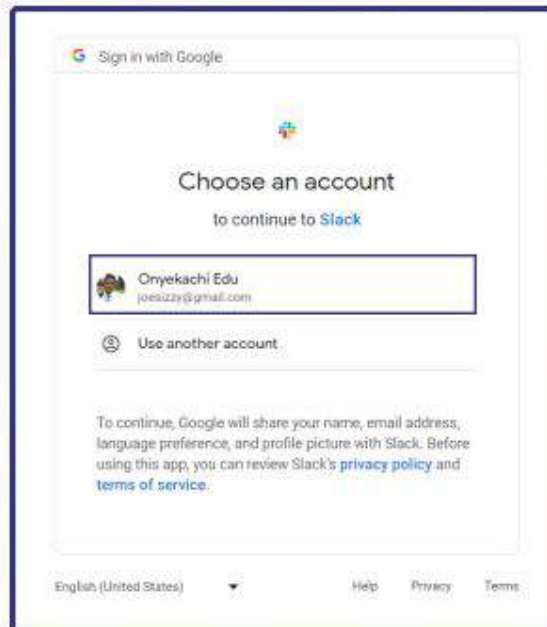

The image shows a Slack join page for the workspace 'PERXELS DESIGN SCHOOL'. At the top, the Slack logo is followed by the text 'Join PERXELS DESIGN SCHOOL on Slack'. Below this, a message states 'Slack is a messaging app that brings your whole team together.' and a row of five profile pictures is shown. Text below the pictures says 'Fiwa, Oyewole Oyeku and 361 others have already joined'. A line of text indicates 'You're accepting an invitation sent to joesizzy@gmail.com.'. There is a text input field labeled 'Your name' and a dark purple 'Continue' button. Below the button is a checked checkbox with the text 'It's okay to send me marketing communications about Salesforce, including Slack. I can unsubscribe at any time.' and a line of small text: 'By continuing, you're agreeing to our User Terms of Service. Additional disclosures are available in our Privacy Policy and Cookie Policy.'. Below this is a horizontal line with 'OR' in the center. At the bottom, there are two buttons: 'Continue With Google' (with the Google logo) and 'Continue With Apple' (with the Apple logo).

Step 4

You can continue by typing your name, ticking the empty box under the continue button or you can continue with google. (**Continue with google is preferable**)
